

SCOUT[®] REPORT

News and Views on Surgical Guidance
and Breast Tumor Localization

Exciting Changes are Here for SCOUT Radar Localization

Merit Medical is excited to announce that SAVI SCOUT will now be known as SCOUT Radar Localization. Carrying its new name onto an all-new package design, SCOUT continues to allow better surgical planning due to its advanced level of localization precision.

Free CME Webinar

The Evolution of Wire-Free Breast Localization

Perspectives from a radiologist and a surgeon

Presenters: Drs. Mary K. Hayes and Erica Bloomquist

Mary K. Hayes, MD

Breast Radiologist
Memorial Healthcare System
Hollywood, FL

Erica Bloomquist, MD, FACS

Breast Surgical Oncologist
Memorial Healthcare System
Hollywood, FL

As part of Merit Medical's commitment to education, we would like to make you aware of a compelling learning opportunity for you and your staff. The archive of a web event that aired in May, 2019 is now available for viewing and CME/CE credit. The program is jointly provided by ICPME and the Postgraduate Institute of Medicine, and supported by an educational grant from Cianna/Merit Medical.
