Going Wire-Free Together with SCOUTCare™

Cianna Medical Launches Comprehensive Support Program

Do you want to implement a wire-free breast tumor localization program at your institution? Now there's help. SCOUTCare is a comprehensive training, certification and communications program designed to support a facility's mission of "moving beyond wires" through the adoption of SAVI SCOUT® Radar Breast Tumor Localization.

*Cianna Medical will provide turnkey
marketing and communication tools
to educate your community that your
facility is 'making breast cancer surgery
easier' for women.*
